1. Who we are and how these terms apply

1.1 This website, projectlighting.co.za (the "Site"), is operated by Project Lighting (Pty) Ltd, Registration No. 2025/565960/07, trading as The Project Lighting & Design Group ("we", "us"), a private company incorporated in South Africa, of Unit 7, No. 5 Section Street, Paarden Eiland, Cape Town, 7405. Email: sales@projectlighting.co.za. Telephone: 078 566 5974.

1.2 By using the Site you agree to these Terms of Use and to our Privacy Policy. If you do not agree, please do not use the Site. We may change these terms at any time by posting the updated version on the Site; continued use after a change is acceptance of it.

1.3 The Site provides information about our lighting design, specification and supply services and our product ranges, and allows you to contact us and request quotations. Goods and services are supplied only under a quotation and our Standard Terms and Conditions of Sale, which apply to every order and prevail over these Terms of Use in the event of conflict.

2. Use of the Site

2.1 You may use the Site for lawful purposes only. You may not use the Site in any way that damages or interferes with it, attempt to gain unauthorised access to any part of the Site or its systems, introduce malicious code, scrape or harvest content or data, or use the Site to send unsolicited communications.

2.2 You may view, download and print pages from the Site for your personal or internal business use in evaluating our products and services. Any other use, including reproduction, modification, distribution or commercial exploitation of Site content, requires our prior written consent.

3. Intellectual property

3.1 The Site and all its content, including text, photographs, product images, lighting designs, drawings, specifications, catalogues, logos and trade marks, are owned by or licensed to us and are protected by copyright and other intellectual property laws. The Project Lighting name and logo are our trade marks. Product images and brand names of manufacturers appear with their permission and remain their property.

3.2 Lighting designs, specification documents and drawings we prepare for a project remain our property and are licensed to the client for that project only, as set out in our Standard Terms and Conditions of Sale.

4. Product information, prices and availability

4.1 Product information on the Site is provided for general guidance. Specifications, colours, light output, colour temperature, dimensions and finishes are indicative, may vary between batches within manufacturers' tolerances, and may change without notice as ranges are updated. Photographs may not exactly represent the product supplied.

4.2 Any prices shown on the Site are indicative, in South African Rand, and exclude VAT and, unless stated, delivery outside the Cape Town metropolitan area and installation. Prices, stock and lead times are confirmed only in a written quotation. The Site does not conclude sales: no contract is formed until we accept an order under our Standard Terms and Conditions of Sale.

4.3 We do not install products. Installation must be carried out by a qualified electrician in accordance with the manufacturer's instructions and applicable regulations. Dimming and control compatibility is not warranted unless confirmed by us in writing for a specific combination.

5. Enquiries and quotations

5.1 When you submit an enquiry or quotation request, you confirm that the information you provide is accurate and that you are authorised to provide it. We will use it to respond to you as described in our Privacy Policy. Submitting an enquiry does not create an obligation on either party until a quotation is accepted in writing.

6. Third-party links and content

6.1 The Site may contain links to manufacturers' websites, datasheets and other third-party content. We provide these for convenience and do not control or endorse them. We are not responsible for the content, availability or privacy practices of third-party sites.

7. Disclaimers and limitation of liability

7.1 The Site is provided “as is”. To the extent permitted by law we give no warranty that the Site will be uninterrupted, error-free or free of viruses, or that its content is complete, accurate or current.

7.2 To the extent permitted by law, we are not liable for any loss or damage arising from your use of, or inability to use, the Site or its content, or from reliance on information on the Site, including indirect, consequential or special loss. Nothing in these terms excludes liability that cannot be excluded under the Consumer Protection Act 68 of 2008 or the Electronic Communications and Transactions Act 25 of 2002.

8. Privacy and cookies
